Dear Frans,

Congratulations on being named to the Regent Seven Seas Council and for being one of the top sellers for Regent Seven Seas Cruises in 2008.

I would like to thank you personally for all of your hard work promoting Regent to your clients. Your focus on providing the ultimate travel experience to discerning travelers is a natural match with us.

On behalf of the entire company, it is my pleasure to present you with the enclosed award. We hope that you display it proudly.

We look forward to increasing our business together to recognize your achievements again next year.

Kindest personal regards,

Mark S. Conroy
