Personal Heritage Journeys

Welcome to unique private-guided travel experiences that are completely customized around your heritage, brought to you by Kensington Tours and Ancestry®.

Ancestry is the industry leader in family history, and their AncestryProGenealogists® division is the home of the genealogical experts who will work with you to uncover your roots. It's the perfect pairing with Kensington Tours' years of crafting custom private-guided travel to over 100 countries, who will then bring your roots to life.

Visit [Personal Heritage Journeys](#) to view Kensington Tours inspirational heritage itineraries. These are just thought starters; each journey created is based on meaningful places and moments in your family's past, and they can serve many more countries than the ones you see there.

How Kensington Tours creates your Personal Heritage Journey

Talk to our Destination Expert

They'll discuss your aspirations and needs for your journey, and then connect you with the right Ancestry genealogist to begin research on your family.

Your family history is revealed

Based on how deeply you wish to delve into your family's roots, your dedicated Ancestry genealogist conducts careful and thorough research to create your heritage report.

Planning your travel experience

Your travel advisor and Destination Expert work with you and your genealogist to then create the ideal heritage itinerary. They'll ensure that all your travel needs are met, including the right pace of travel, appropriate accommodations, and private transportation.

Immerse yourself in your roots

With all aspects of the journey pre-arranged, you can relax and explore your family history in the company of dedicated private guides, local experts and if you choose, an Ancestry expert, all with award-winning 24/7 support.
