

UNIWORLD®

BOUTIQUE RIVER CRUISES

A scenic view of a Swiss railway bridge over a forested valley with mountains in the background. The bridge is a long, multi-arched stone structure with a train crossing it. The surrounding landscape is lush green with dense forests and rolling hills. In the distance, snow-capped mountains are visible under a blue sky with wispy clouds. A small yellow building is situated on the left side of the bridge.

NEW 2021-2022 CRUISE & RAIL ITINERARIES
